Card Game Simulator
Presented by Melanie Sverdlov
Seminar Instructor: Moshe Sulamy

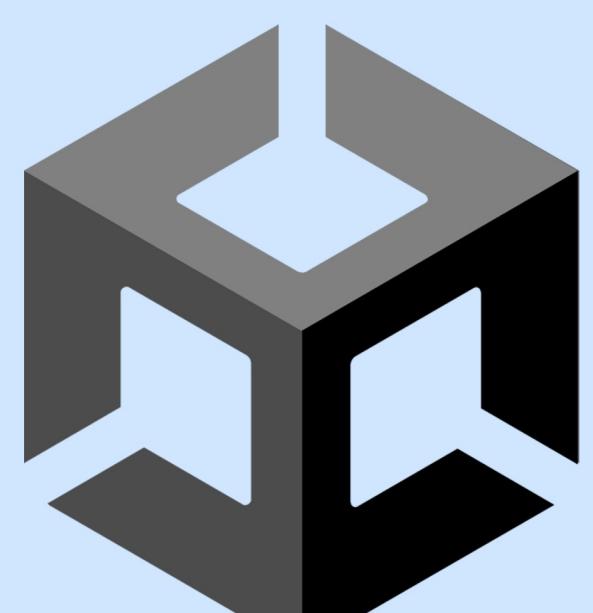

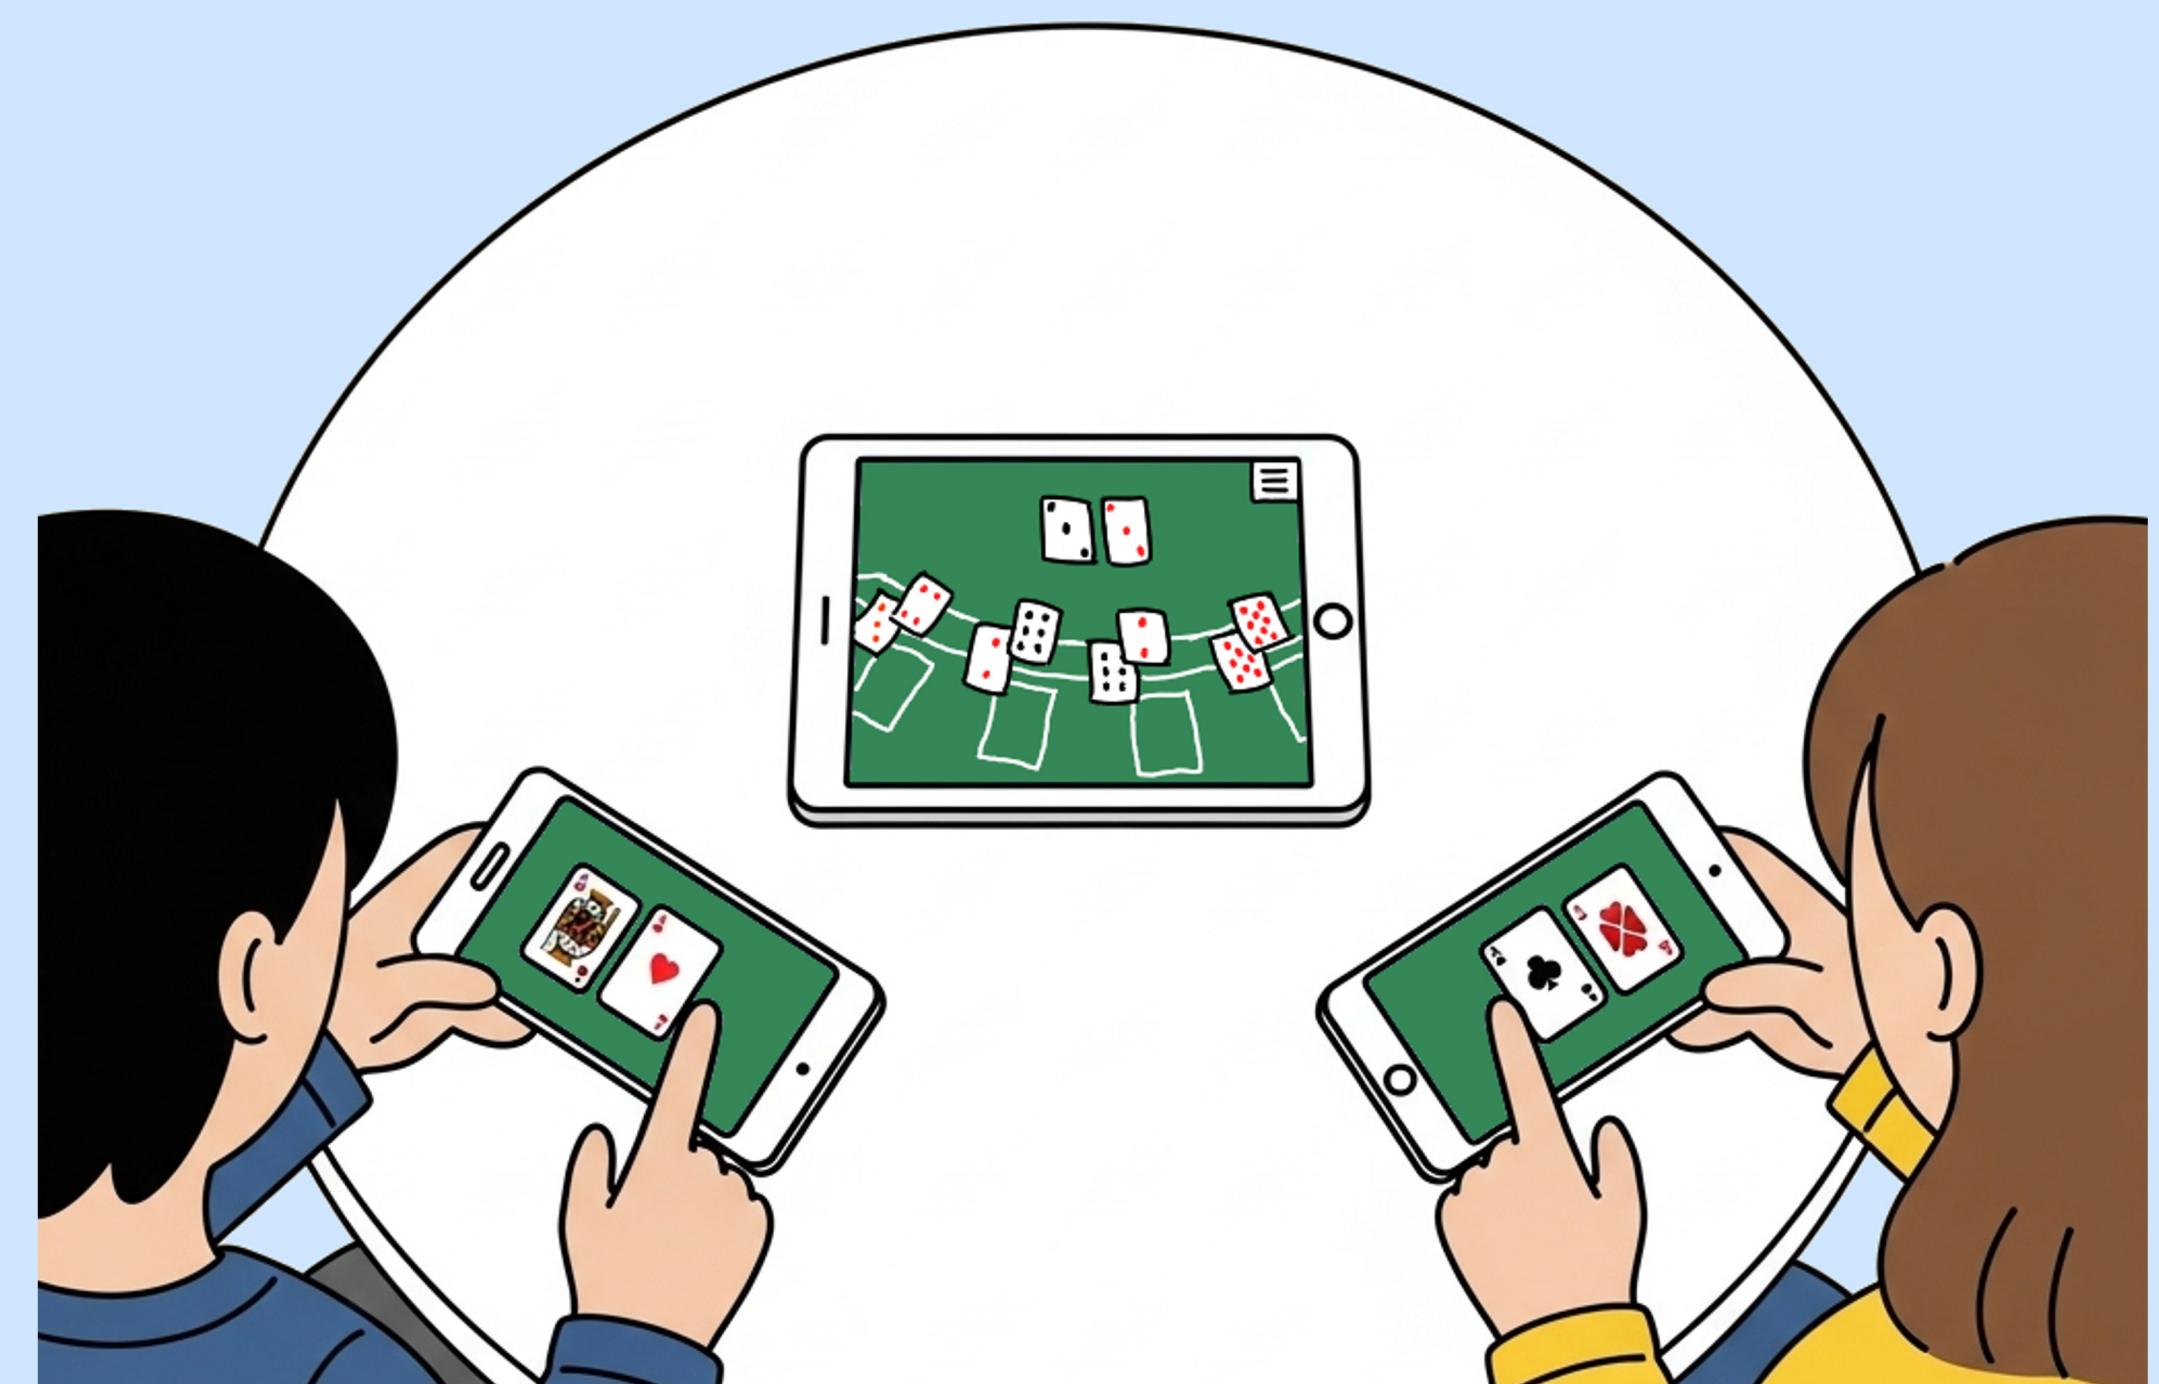

CARD GAME SIMULATOR

- Choose from a variety of card games or discover new ones
- Easily join games nearby on your local network, perfect for social gatherings

- Design and customize new card game templates with a powerful editor
- Define cards, decks, player actions, and share your creations with others

- Use your phone for your hand, and a tablet to display the game table and scores for everyone to see.

Unity
